

FULL EPISODE . AUDIO + VIDEO

Dedicated Interview

\$11,000 / episode

A full episode, built around your story. Not an ad.

WHAT IT IS

One full-length episode dedicated to your product, your team, or the problem you solve. Andy hosts, your team brings a voice, and it goes out across audio and YouTube.

WHAT YOU GET

- A complete episode, made with your team
- Audio and video on YouTube
- A brand-safe edit you review before release
- About 2,800 audio impressions, plus YouTube views
- Permanent placement in the catalog

WHY IT WORKS

Engineers tune out ads and lean into stories. A dedicated episode lands as content they chose to hear, and it keeps working long after release day.
