Dynamic Audio Ad

\$6,000 / month

One ad. Every download. Every month.

WHAT IT IS

A 15 to 30-second pre-roll and a 45 to 90-second mid-roll, dynamically inserted across all 200+ audio episodes for your contract term. New episodes and the six-year back catalog, all of it.

WHAT YOU GET

- Pre-roll and mid-roll, dynamically inserted
- Runs across all 200+ episodes, not just the new one
- About 9,300 impressions a month from the catalog alone
- Swap the message any time, no re-recording
- Audio

WHY IT WORKS

The back catalog pulls roughly 9,300 downloads a month on its own. A flat monthly fee puts you in front of every one of them, always on. It is the same placement Meter runs on the show today.
